	$187,800 00

City of Charlestown, March 1, 1849.

The foregoing Statement of the Receipts and Expenditures for the financial year ending February 28, 1849, has been prepared in accordance with an Ordinance passed by the City Council, June 16, 1848.

The difference between the Treasurer's and Auditor's Account of Disbursements, under some of the appropriations, is occasioned by transfers of bills from one appropriation to another, by the Committee on Accounts, after the Treasurer's Rolls were made up, and prior to the opening of the Auditor's Books.

A. B. SHEDD, Auditor.

City of Charlestown, March 30, 1849.

The Joint Standing Committee on Finance, to whom was referred the Account Current of the City Treasurer, have examined the same, and beg leave to report, that they find the same to be correct, and sustained by proper vouchers.

They have, also, in accordance with the provisions of the Ordinance, caused to be prepared, and now lay before the City Council, a statement in detail of the Receipts and Expenditures of the preceding financial year, accompanied by a Schedule of the City Property, with its estimated value, and a statement of the City Debt, and they recommend that two thousand five hundred copies of the same be printed, for distribution among the citizens.

Per order of the Committee,

G. WASHINGTON WARREN, Chairman.

IN BOARD OF THE MAYOR AND ALDERMEN, March 30, 1849.

Accepted, and sent down for concurrence.

A. B. Shedd, City Clerk.

IN COMMON COUNCIL, March 30, 1849.

Concurred.

G. V. Hall, Clerk.
